Who Can Benefit?

- LocalRank is designed for Irish businesses that want to target their local area for new enquiries. Our typical customer wants a great-looking, professionally built website and a solution that allows their business the opportunity to be visible in their own county or town.
- LocalRank is ideal for businesses that want a great-looking website and the opportunity for their business to rank for local searches for the services or products they provide.
- More than 80% of our customers who build their websites with us opt for the LocalRank website solution.

We offer a one-stop-shop approach to website and listing creation upon setup. This is done by setting up a call with you where we ask a series of questions to understand exactly what locations you want the opportunity to show for, and we use this information to put together a winning website, Google Business Profile, goldenpages.ie rank listing, and local directory combination.
